ATTENTION

- The items included in this booking are sufficient to ensure the vehicle collection; however, the RENTAL COMPANY may also offer additional options not included or described in this voucher, such as upgrades and accessories. Acquiring these services is optional and does not interfere with the vehicle collection. By accepting these options, you take full responsibility for contracting and paying directly with the RENTAL COMPANY.
- Carefully monitor the vehicle inspection and take photos to document the car's condition for future reference if needed.
- Carefully read the rental agreement provided by the CAR HIRE COMPANY at the time of collection.
- Rental Company Analysis: It is possible that, at the time of vehicle collection, the rental company may refuse to complete the rental process with you if they believe there is a risk in proceeding with your booking, which is evaluated according to the company's own internal criteria.
- Please check all details and breakdowns of the services and additional charges contracted before signing any document.
- Border Crossing: Consult the rental company in advance regarding the possibility of using the rented car for international travel and any potential extra costs.
- In the partial payment method, in case of cancellation 48 hours before the pick-up or no-show, 100% of the prepaid booking value will be retained.

VEHICLE COLLECTION DEADLINE:

- Pick-up Grace Period: GreenMotion will hold your booking for up to 29 minutes after the scheduled time (respecting the store's operating hours). Arriving after this period will be considered a No-Show, resulting in the cancellation of the booking and the application of the applicable penalty. Pick-up Requirements: to pick up the vehicle, you must meet the requirements of GreenMotion: official photo ID, valid driving licence, physical credit card in the cardholder's name with sufficient limit for the security deposit, and other hire policies. If any requirement is not met, GreenMotion may refuse to provide the vehicle (Turn Down).
- It is not permitted to collect the vehicle before the scheduled time.
- For more information, please refer to the Terms and Conditions in the booking confirmation email or log into your account via the Rentcars APP or on the Rentcars.com website.

This document must be printed and delivered to the car hire company on the day of pickup.

MAIN ITEMS FOR COLLECTION

Driver's License: The renter and any additional driver must present the physical, original, and valid Driver's License in the driver's name. For rentals outside Brazil, the Digital Driver's License is not accepted. We emphasize that any digital documents, printouts, photos, or copies will not be accepted under any circumstances.

International Driving Permit (IDP): Some rental companies and government agencies require that you present an IDP. It is the renter's responsibility to present both their IDP and Driver's License when picking up the vehicle. For more information, please reach out to the Rental Company. The presentation of the physical document is highly recommended.

Passport: A valid passport must be presented when collecting the vehicle.

International credit card: The main driver must present to the car hire company a physical credit card in their name, issued by a banking institution, with a full name and number legibly printed on it. For international hires, the card must be international and enabled for use abroad. This card must have a sufficient limit to cover the security deposit amount, which will be held during the hire period. Any fees, additional services, and/or extra costs may be charged by the car hire company directly to this card. Car hire companies do not accept prepaid, virtual, and/or contactless cards. We recommend checking with the car hire company which credit card brands are accepted. The car hire company may not accept cards issued by digital banks.
